

The 5th International Symposium on Asian Dinosaurs in Korea 2023

Application for ADA Grant for Young Researchers

1. Summary and Purpose

Asia Dinosaur Association (ADA) is offering a financial support for traveling and lodging for the 5th International Symposium on Asian Dinosaurs in Korea 2023 (ISAD2023) to be held from November 8th, 2023 in Hwaseong City, South Korea. The grant is established for young researchers who intend to present their studies about dinosaurs, and other related animals and environments at ISAD2023. The purpose of this support is to encourage young researchers to lead future studies of Asian dinosaurs.

2. Qualification

- I. Students and researchers who belong to universities, graduate schools or other equivalent educational or research institutes, and do not receive salaries.
- II. Those who are registered for oral/poster presentations for ISAD2023.
- III. Those who do not have financial supports to participate ISAD2023 from other societies, organizations, institutes or universities.

3. Application

- I. Please fill an application form from the link (<https://www.dinosaur.pref.fukui.jp/ADA/ISAD2023/ISAD2023grant.html>), sign on it, and submit it to ADA Secretary Office in PDF format.
- II. One recommendation letter may be attached.
- III. Deadline is **September 1st, 2023**.
- IV. All sign-proofed documents must be submitted either electronically or physically in PDF format before the deadline via following e-mail address: ada@dinosaur.pref.fukui.jp.

4. Recipient Screening

- I. A committee assigned by ADA Secretary Office will screen recipients based on submitted applications.
- II. Applicants will be contacted for results of the screening (accepted or not accepted) by October 1st, 2023.

5. Grant

I. Number of recipients: about 10

II. Details

- i. Maximum amount of the grant is 100,000 Japanese yens.
- ii. Amount of the grant will be calculated based on applications.
- iii. The grant will be provided at the reception of ISAD2023.
- iv. The grant will be made in US\$ calculated based on an exchange rate immediately before opening of ISAD2023.
- v. The grant will not be provided if its recipient is absent during ISAD2023.
- vi. The grant cannot be provided preceding or following ISAD2019.

6. Notes

- I. You will be asked to provide your signature when receiving the grant.
- II. Application forms will not be returned regardless of the result of the screening.
- III. Your personal information will only be used to implement this support. The information may be provided to universities, research institutions, diplomatic missions, government offices, or non-profit organizations as necessary, and will not be used for any other purposes.

7. Please submit required documents and direct any questions to:
