Accommodation Suggestion

A number of hotels are around the symposium venue. The most convenient access to symposium is to stay at hotel that located close to the BTS. We searched for hotel around the symposium venue and categorized into three areas; Siam Square, National Stadium, and Ratchathewi. For more information please visit: <http://www.isad2015.com/isad2015/accommodation-suggestion.html>

Talks of Keynote Speakers

Suwat Liptapanlop

Nakhon Ratchasima Rajabhat University, Thailand

"Thai dinosaurs: The new destination for ASEAN tourism"

Supot Jermsawatdipong

Department of Mineral Resources, Thailand

"The next decade of fossil research, protection and management in Thailand"

Richen Barsbold

Institute of Paleontology and Geology, MAS, Mongolia

"Behavior features on the Gobian inimitable dinosaurian fossils"

Xing Xu

Institute of Vertebrate Paleontology and Paleoanthropology, Chinese Academy of Sciences, China

"A review of recent dinosaur discoveries from the Mid-Late Jurassic of northern China"

Junchang Lü

Institute of Geology, Chinese Academy of Geological Sciences, China

"The king of Mesozoic sky-recent advances in the study of Chinese pterosaurs"

Yuri Bolotsky

Institute of Geology and Nature Management FEB RAS, Russia

"The dinosaurs from the South-Eastern Russia"

Yoichi Azuma

Institute of Dinosaur Research, Fukui Prefectural University, Japan

"Japanese dinosaurs"

Varavudh Suteethorn

Maharakham University, Thailand

"History of Thai dinosaurs"

Eric Buffetaut

Centre National de la Recherche Scientifique, France

"The ornithischian dinosaurs of South-East Asia"

Haiyan Tong

Maharakham University, Thailand

"Mesozoic turtles of Thailand: new data"

Gilles Cuny

University Claude Bernard Lyon 1, France

"Freshwater hybodont sharks from the Late Jurassic – Early Cretaceous of Northeastern Thailand: stratigraphical and palaeobiogeographical implications"

Tentative Program

Thursday, 19 November 2015

08:30-09:00	Registration
09:00-10:10	Opening Ceremony
10:30-12:00	Technical sessions
12:00-13:00	Lunch
13:00-16:40	Technical sessions

Friday, 20 November 2015

08:30-12:00	Technical sessions
12:00-13:00	Lunch
13:00-14:00	Poster session
14:00-14:30	Closing remarks
14:30-15:00	Move to Siam Paragon
15:00-17:00	Visit the special exhibition "The Amazing of Asian Dinosaurs@Siam"
19:00-21:00	Farewell party (Chao Phraya Dinner Cruise)"

An updated program will be available at www.isad2015.com.

Post Symposium Excursion Program

DAY 1 Saturday, 21 November 2015

8.00	Depart from Bangkok to Nakhon Ratchasima Province
11.30	Visit Ban Saphan Hin-Nong Rungga locality
12.30	Lunch at the Khorat fossil museum
13.30	Visit Northeastern Research Institute of Petrified Wood and Mineral (Khorat fossil museum)
16.00	Leaving for the Koranaree Countyard Boutique hotel, Nakhon Ratchasima Province
18.00	Welcome party at "Le Gardenia" room, Koranaree Countyard boutique hotel

DAY 2 Sunday, 22 November 2015

8.00	Check out and depart for Khon Kaen Province
12.00	Lunch at the Phu Wiang dinosaur museum
13.00	Visti Phu Wiang Fossil Research Center and Dinosaur Museum, Khon Kaen Province
14.00	Phu Wiang, type locality of <i>Phuwiangosaurus</i> and <i>Siamotyrannus</i> , Phu Wiang National Park
16.30	Depart for Khon Kaen Province
18.00	Arrive at Rajavadee hotel, Khon Kaen Province
19.00	Dinner at "Kinaree" main dining hall, Rajavadee hotel

DAY 3 Monday, 23 November 2015

- 8.00 Check out and leaving for Kalasin Province
- 11.30 Visit Phu Noi, Kalasin Province
- 12.30 Lunch at Phu Noi excavation camp
- 13.30 Leaving for the Sirindhorn Museum, Kalasin Province
- 14.30 Visit Sirindhorn Museum, Kalasin Province
- 15.30 Visit Phu Kum Khao dinosaur site museum, Kalasin Province
- 16.30 Depart for Maha Sarakham Province
- 17.30 Arrive at Siam Thara Hotel
- 18.00 Leaving for the MSU museum, Farewell party

DAY 4 Tuesday, 24 November 2015

- 8.00 Check out and depart for the Mahasarakham University (MSU)
- 8.30 Visit Palaeontological Research and Education Centre, (MSU)
- 9.30 Depart for Nakhon Ratchasima Province
- 12.30 Lunch at Tuepai Pedyang restaurant, Nakhon Ratchasima Province
- 13.00 Visit Phimai historical park, Nakhon Ratchasima Province
- 14.00 Leaving for the Si Khio Stone Quarry site
- 16.00 Visit Si Khio Stone Quarry site, Nakhon Ratchasima Province
- 16.15 Depart for Bangkok
- 19.00 Arrive at the Suvarnabhumi Airport

Northeastern Research Institute of Petrified Wood and Mineral Resources (NRIPM)

Phu Wiang Dinosaur Museum, Khon Kaen Province

The Late Jurassic to Early Cretaceous Phu Kradung Formation of Phu Noi locality

Sirindhorn Museum, Kalasin Province

The Early Cretaceous Sao Khua Formation of Phu Kum Khao dinosaur site museum

Si Khio Stone Quarry site

ISAD2015

Post-Symposium Excursion
21-24 November 2015

Make your day special! Take a time machine to the Mesozoic era visiting the dinosaur valley.

Walking with *Phuwiangosaurus* and their friend at the type localities. Learning geology of Khorat plateau.

Experience the beauties of Isan ethic and culture.

Tasting the best Thai foods.

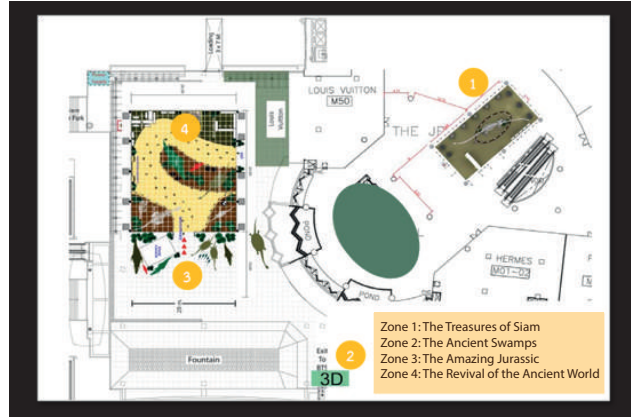

Organised by Varavudh Suteethorn; director of
Palaeontological Research and Education Centre, Mahasarakham University

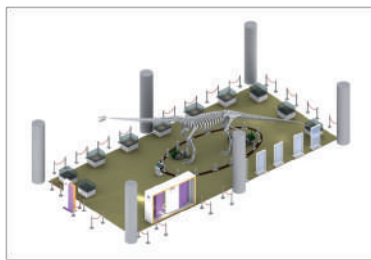

The Amazing Asian Dinosaurs@Siam will highlight of both Thai and Asian dinosaurs. The event is held during 20-29 November 2015 at Siam Paragon (the luxury department store in the heart of Bangkok) and exhibit 4 highlight zones; the Treasures of Siam, the Ancient Swamp, the Amazing Jurassic, and the Revival of the Ancient World (see exhibition zones).

Exhibition zones

Zone 1: The Treasures of Siam

The Treasures of Siam is the special area marking the auspicious occasion of Her Royal Highness Princess Maha Chakri Sirindhorn's 60th birthday and her work towards interesting and supporting the Thai dinosaur research. The real specimen of the important dinosaur fossils which considered as the treasures of Siam will be found in this zone.

Zone 2: The Ancient Swamps

The ancient creatures living in the swamp environment calling *Siamosaurus suteethorni*, crocodiles, and fishes are paraded to swamp in the center of Siam.

Zone 3: The Amazing Jurassic

The exhibition exposures the variety of dinosaurs and phytosaur, in the meantime the visitors can enjoy the amazing 3D art around the exhibition area.

Zone 4: The Revival of the Ancient World

The Asian dinosaurs that were discovered in Laos, China, Japan, and Thailand are revived, enjoying the movement dinosaur, Thai dinosaur discovery exhibition, dinosaur activities, and grasp back the favorite products at the souvenir shop.
